

GROUP DENTAL AND VISION

What is Group Dental and Vision Insurance? Many employers may desire to provide employees with a range of additional coverages outside of the group medical coverage in an effort to draw and retain key personnel. Group Dental and Vision can be added to medical coverage for a more comprehensive package. Employers can provide these additional benefits at their expense, costs can be split by the employer and employee, or voluntary to the employees at their cost. Dental plans can range in benefits from limited coverage to richer plans that include orthodontics.
