

GROUP DISABILITY AND LIFE INSURANCE

What is Disability and Life Insurance? Many employers may desire to provide employees with a range of additional coverages outside of the group medical coverage in an effort to draw and retain key personnel. Group Life Insurance, Long Term and Short Term Disability, and Long Term Care are coverages that provide win/win solutions to meeting employers and employees needs. Employers can provide these additional benefits at their expense, or voluntary to the employees at their cost. Group Life insurance can provide protection to those employees who carry no individual life insurance. Group Disability Insurance offers partial income replacement for either a short term (13 or 26 week period) disability, or for a longer period of disability. Group Long Term Care Coverage protects employees if the need arises for extended care.
