

## PERSONAL AUTO INSURANCE

*What is Personal Auto Insurance? If you want to register and operate a vehicle in the State of Michigan, the law requires that the car be insured. The law spells out the minimum amounts of coverage required and sets up a “No-Fault” system for providing benefits. But — and this could be important to you — what the law requires doesn’t cover every possible loss connected with car ownership. You can protect yourself against these additional exposures by consulting with your CIA Financial Group agent to be sure you have the coverage you need.*
